

RED QUEEN CASTING CALL - LISA - READING

INT. BRUNI'S OFFICE - DAY

Lisa sits across from Bruni, with Mac and Irish standing watching.

LISA
I'll probably be fired for telling
you this, but there's something
very wrong in that house.

IRISH
Is it Mrs. Grant? Did you see Mr.
Grant hurt her?

LISA
Not quite, but I know he tried to
divorce her.

The others clearly don't understand.

LISA (CONT'D)
They have a prenupt that says she
gets nothing, but he offered her
three million dollars.

IRISH
And she still didn't leave?

MAC
But that's not why you're here, is
it? What else happened?

She gives him a wretched look.

LISA
Mr. Fisher found something at that
warehouse, and they've been
obsessed with it ever since. They
call it The Unit. I think it is
connected to whatever happened to
Mrs. Grant.

IRISH
Why?

LISA
Mr. Grant keeps talking about a
project called the Red Queen
Project, and I know that he and
Walter Morgan worked on it together
years ago.
